Fans of the East Mention have been crazy and devoured to each appearance. He did not disappoint and left everyone speechless in 2014, when he became a true sensation with the launch of the 11th Ebum, "Wait for the world" and the Super "Kamelia". About Lábum Adrian declares "The fans are those whose voices I hear when creating a new piece. He participates in Akcent adventure, was the most exciting and electrifying adventure of our lives - a real bonÁ. The last 12 years were a search for the sky - we had the only chance to visit places that we only dream of, van with the most incredible people around the world, learning to respect each of you and singing in front of you. Of the best friends we can never imagine. You are the ones who choose the next great success and I am here to bring the choices. Á à € € (came won conquered) in the street, leaving the public hypnotized public with the super fresh look with his special dance vibes and Romanian energy supermarket. The American experience gives birth to a new hit 'Chimie Intre Noi' (The chemistry between us), the video telling the story of a pure love between two teenagers. I Or the creator of music, but it's all in the hand of the fans to bring the hits in the spotlight on YouTube, in Shazam, in the main graphics of Ricio and the clubs! I am mainly grateful and thank everyone who trusts me, enjoy the music and finally love the show!
